- Powered external speaker
- Dual-band wireless connectivity

### What's in the box?

- Beam+™ Smart Presence™ Device
- Beam+ Dock
- Power Cord
- USB Keyboard
- Instructional Card

Price: \$1995.00 USD

## System Specifications

### Cameras

2 HDR cameras that stream 480p video simultaneously. The cameras are positioned to provide a large viewing angle of the space in front of the device allowing the controller to easily navigate. The front facing camera offers a 2x enhanced digital zoom.

### Integrated Display

10.1" (diagonal) LCD edge-lit glossy display. Video output is 480p at 30 frames per second.

### Mobility

The system's top speed is 0.4m/s (0.9mph).

The system is designed to Navigate ADA compliant Ramps, and residential thresholds up to (0.75") high. Direct drive wheels provide tight handling and limit drifting.

### Wireless Connectivity

Dual-band wireless (5Ghz Recommended)

802.11 a/b/g/n

4G (requires additional USB modem and data plan)

Bluetooth (for connection sharing)

Please read our [Beam® Requirements Document](#) for more information

## Speaker

Custom engineered acoustically enclosed internal speaker (70db at 2.5m).

## Microphones

4 condenser microphone array (3 front, 1 rear)

Features: echo cancellation, background noise canceling, and full duplexing.

## Battery and Power

Integrated 12V DC rechargeable battery provides up to 2hrs of continual operation.

## External Connections

1 USB 2.0 Port

## Beam+™ Dock

The Beam+ battery is recharged via the included Beam+ dock. The dock offers support for universal voltages and is compatible with any IEC standard socketed cable.

## Electrical Operating Requirements

- Line Voltage: 100-240VAC
- Frequency: 50Hz to 60Hz
- Maximum continuous power:60W

## Limited Warranty and Service

Beam+ comes with a 90-day limited warranty. Beam+ owners also receive access to our on-line customer support services, software updates and access to the Beam® service free for the first year. After the first year, an annual subscription fee of \$79.<sup>95</sup> USD may apply.
